

Membership Survey

Show Me Angels (SMA) is interested in providing its members and the companies we invest in with maximum benefit, which is aligned with member interests. One way we have to better understand these interests is through our membership survey. The survey allows us to gather information on investment interests and member skills which may be valuable to the group as well as to portfolio companies. Individual data will be treated confidentially and will not be shared internally or externally; only SMA management will be privy to individual responses. The survey results may be used in aggregate to present SMA as an entity to venture capitalists, businesses, and the media for the purpose of securing high-quality deal flow, membership, and public relations.

SMA also asks that members interested in mentoring or coaching opportunities with portfolio companies provide a curriculum vitae, resume, or executive profile that may be maintained on file by SMA management. You may email your profile to manager@showmeangels.com or send it to the address below.

Member Name: _____

1. Have you ever been an angel investor? ___Yes ___No
